NEW Natural tones

The best of both worlds!

For those who want the **rich, natural finish of wood but not the time-consuming maintenance associated with semi-transparent stains**, maibec introduces the new natural tones.

Thanks to cutting-edge technology and carefully-selected stains, the two-coat finish process combines the proven UV protection of an opaque stain with the natural charm of semi-transparent stains.

This warranty covers labour for 5 years and the stain for 8 years. However, applying a fresh coat of stain to the siding between the 6th and 8th year will help maintain its original beauty. This is a clear advantage over most other semi-transparent products that must be re-stained every 2 to 3 years.

* Some restrictions apply.

4 attractive colours in 5 different profiles:

Muskoka Brown

Algonquin Amber

Prairie Gold

Niagara Silver

RABBETED BEVEL

DIMENSIONS

1" x 4" 1" x 6" 1" x 8"

COVE

DIMENSIONS

1" x 6" 1" x 8"

V-JOINT

DIMENSIONS

1" x 4" 1" x 6" 1" x 8"

CHANNEL

DIMENSIONS

1" x 6" 1" x 8"

BOARD & BATTEN

DIMENSIONS

Board 1" x 10"
Batten 1" x 2"
